Re: Freedom of Information Act (FOIA) Request
No. 10-RIN-985-90

Dear Mr. Sanford:

This is written in response to your August 21, 1990, request for information regarding the Hidden Valley Landfill, Centralia Landfill, Pasco Sanitary Landfill, and Toftdahl Drums Superfund sites in the state of Washington.

Enclosed are four information request letters for Toftdahl Drums, which provide the names and addresses of the Potentially Responsible Parties (PRPs) for the site. Also enclosed are portions of Preliminary Assessments conducted on the Hidden Valley Landfill, Centralia Landfill, and the Pasco Sanitary Landfill, which provide preliminary identification of owners and operators of these sites. However, the U.S. Environmental Protection Agency (EPA) has not conducted PRP searches at these sites, nor has EPA sent any notice letters to PRPs for these sites.

Pursuant to an interagency agreement between the Washington Department of Ecology (Ecology) and EPA, Ecology has the lead role in managing these three Superfund sites. I suggest that you contact the Department of Ecology for information regarding state identification of PRPs for these sites. The Ecology contact for Centralia and Hidden Valley Landfills is Mike Wilson, Ecology Southwest Regional Office, LU-11, 7272 Cleanwater Lane, Tumwater, Washington 98504-6811, and the Ecology contact for Pasco Sanitary Landfill is Mark Fuchs, Ecology Eastern Regional Office, North 4601 Monroe, Suite 100, Spokane, Washington 99205-1295.

The cost of providing this information is \$30.40 (16 pages duplicated at \$0.15 per page and \$28.00 for file search time). A bill is enclosed.

This concludes the EPA Region 10 response to FOIA request number 10-RIN-985-90.

Sincerely,

For Philip G. Millam, Chief
Superfund Branch
